Tie Breaker

- A) The team that won in the head-to-head match-up wins the tiebreaker.
- B) In the event the two teams tied in head to head match-up or if two or more teams are tied, then the team with the greatest differential between points scored and points allowed wins the tiebreaker. A cap differential of 15 points scored more than the opponent will be used. Example... A 40-23 win will be adjusted to a 38-23 win using the 15 point cap. Therefore the difference between points scored and points allowed is 15.
- C) If the teams are still tied then the team that allowed the least amount of points during the tournament wins the tiebreaker.
- D) If teams are still tied, both teams will be awarded the same medal.

Some teams may also play **back to back** games. Please be aware of this in the case that this occurs during the **lunch hours** and be prepared.

Schedule is subject to change. Check master score board at your venue for updates.
