August of 2016 Special Olympics will be moving our annual end of summer tournament to the City of Marlborough. This event, is the seasoning ending tournament for the following sports:

- Bocce
- Cycling
- Golf
- Softball

The main focus of this event is "Unified Sports", a Special Olympics sports initiative promoting inclusion. In Unified Sports, equal numbers athletes with and without intellectual disabilities ("*Unified Partners*") participate as teammates. Over 1,100 Special Olympics Athletes, Unified Partners and Coaches will participate in this tournament to end the Summer Sports Season.

Special Olympics Massachusetts (SOMA) will be reserving and paying for all the hotel rooms for the athletes, unified partners, coaches & chaperones that will be participating in this event. SOMA is anticipating reserving 600+ beds, on Saturday August 27, 2016.

SOMA is asking hotels, if interested, to submit a rate proposal that includes:

- Room Rate for one night
 - that includes breakfast on Sunday morning
- Rebate per room sold or equivalent
- Notification if your hotel would like to participate in our Restaurant promotion in which participants pay for lunch or dinner using event coupons that will then be reimbursed to the Hotel post event by SOMA
